COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE AND INTERVIEW
SUMMARY

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Applicants acknowledge the allowance of claims 38-53 (Renumbered 1-16) in the subject application by the Examiner with appreciation. The Applicants point out that the reasons set forth by the Examiner are not the only reasons that claims 38-53 (Renumbered 1-16) are allowable. The Applicant agrees with the Examiner's Statement of Reasons for Allowance in the Examiner's amendment in the Notice of Allowance, dated April 3, 2009 to the extent that the claims of the present invention are patentable over the references in the record. However, the Applicants do not necessarily acquiesce or agree in any manner as to the comments made by the Examiner regarding what the prior art does or does not teach. In addition, the Applicants respectfully traverses the Examiner's Statement of Reasons for Allowance to the extent that any comment is intended or has the effect of limiting a claim scope, explicitly or implicitly, by not reciting verbatim the respective claim language, or is intended or has the effect of limiting a

claim scope by stating or implying that all the reasons for patentability are in any way fully enumerated.

Further reasons for allowance beyond those enumerated by the Examiner are described and set forth in the Applicants' specification. As the Examiner's reasons for allowance are not exhaustive, such reasons for allowance do not establish an estoppel against Applicants seeking and obtaining allowance of additional, broader claims in a continuation application, which Applicants reserve the right to file.

Interview Summary

The undersigned thanks Examiner Kerzhner for the telephone interview conducted on February 27, 2009. During the interview, claim amendments that would place the application in condition for allowance were discussed.

Respectfully submitted,
